- Complete except for classes in-progress

Enter the Subject and Number of the course being considered and click **Add Course**. The course added appears in the box to the right -- "Courses you are considering." To remove a course from the list, highlight the course and click **Remove Course**. Once all the courses are entered, click the **Process New** bar to generate a "Look Ahead" Academic Evaluation.

The Look Ahead Academic Evaluation looks like a regular audit except that you can view the list of "Look Ahead Courses Used" in the dropdown list on the left above the Student Information Block, and the header of the Student Information Block is labeled "Look Ahead Audit."
