NOTE: Degree Works is for new students that enter Georgia State University in fall 2013 or later, and current students that change to the fall 2013 or later catalog term.

Go to [https://www.gosolar.gsu.edu/webforfaculty.htm](https://www.gosolar.gsu.edu/webforfaculty.htm) and click PAWS/GoSOLAR Web for Faculty to Log in.

Click LOG INTO PAWS button

Enter your CampusID and Password, then click “Login”.

By logging into this system, you agree to comply with university policies.
From the PAWS Main Menu, click the **Advisee Search (View Academic Evaluation)** link under GSU Quick Links.

Select a Term, enter Advisee Information, and press “Enter” on your keyboard to populate student name.
On the Student Profile page, click **View Academic Evaluation**: 

![Student Profile screenshot](image-url)
On the next page, verify you are viewing the correct student, then select the term to generate the Degree evaluation for:

Select the student’s Program you wish to view and click the Generate New Evaluation button:

Once you click the Generate Request button, the system checks the catalog term for the student. If that term is fall 2013 or later, you will see the student’s Degree Works Academic Evaluation.
This is the student’s **Degree Works** Academic Evaluation:
